Church Wide Art Project

During this year of Corpus Christi, we commissioned three art projects to represent Christ's Body. The first, of course, was the banner displayed in the foyer. The mosaic is in the form of the head of Christ; it is composed of photographs of His body at Pelham Road. The second project was the wall display of the children's feet and hands. This art is prominently displayed at the front door of the FLC. The children's artwork and photographs remind us that the only feet and hands Christ has belong to us.

NOW we come to the third and final art project. For this one, we will draw and create OURSELVES. Yes, you read this correctly. Under the leadership of Kendall Parks we are going to create another mosaic--not with photos, but with art. This mosaic will be displayed on a cross in the Gathering Space (the new name for the foyer) on Sunday, July 9th.
