Winter Formations

During the month of January we are giving our faithful Sunday School teachers the month off-a month-long sabbatical. Do not be afraid: we are not leaving you out in the January cold. Winter Formation is an opportunity to explore new areas of spiritual formation. We will be offering four classes in the place of Sunday Morning Bible Study. You can go to any class you like. You can go to one for one week and to another the next. Beyond giving our teachers a breather, these classes are a chance to stretch ourselves and learn something new.

Beginnings, Genesis 1-3

Lily Wood will be the guide for this fresh look at the bigger questions of life. (Sonshine Cafe)

The Phillipians 4:8 Principle.

How do you discover genuine joy in all circumstances? This is a practical course on how to think about thinking. Come learn how to transform your mind from old negative patterns into new productive ones, using solid Biblical truths. Course is half lecture and half practical questions for group discussion. This class will be taught by Sam Coates (FLC 201)

Drive it Home

Ashley Park Twitchell is our guest for the month. She will be teaching simple ways to integrate faith practices in daily family life. (FLC 202)

What Jesus Meant

John Roy will concentrate his study on the ideas championed by Jesus. They have never been popular ideas, but what is popular is no way to decide what is true. (FLC 209)

Don't miss this chance to grow, explore, and stretch your spirit, so we are formed more into the image of Christ.

This week you received a Realm email invite. This is a church database that will allow you to view your contributions and member contact information.

3 on 3, Super Bowl Sunday

Join us on Feb. 5 at 4 p.m. for pick-up basketball 3 on 3 style. You can come early to stretch, shoot around, etc. Draft begins at 4. Men, women, and children above 7 are invited. We will finish in the plenty of time to get home for the Super Bowl.

Ashley Twitchell

The personnel committee would like to recommend Ashley Twitchell as our newest staff member. Ashley will supervise our work with the youth. Further, she will also escort new ministry ideas into reality. Further still, she will be available to preach and teach as opportunities arise. This morning Ashley is going to share with us a portion of her pilgrimage of faith. Take some time to speak with her and to get to know her better. While the personnel committee makes this recommendation the congregation will vote on February 15, 2017.
