

Pelham Road Baptist Church Child Development Center 5/6 Year-Old Summer Program

June 11, 2018 –August 10, 2018

Space Available for Children who have completed Kindergarten by June 2018

Hours: 7 AM – 6 PM

Hot lunch on Mondays and Fridays

Music Man on Monday afternoons

Children who have completed Kindergarten by June 11, 2018 may enroll for our Summer Program on a first come, first served basis. The children do not need to have attended PRBC-CDC, but CDC graduates will be given preference for enrollment. The children will be placed in either the Dog & Cat Room or the Tree House Room depending upon available spots in those two classrooms. They will be integrated with our graduating 4/5 year olds who are staying for the summer.

The program will consist of weekly themes such as beach, patriotic week, etc. The children will have a review of the academic curriculum and can share what they have learned at “Big School” with their classmates. They will go on field trips with the class, participate in water days, picnics, and the ice cream truck. This is a great structured way to keep your child’s skills up during the summer months so that they are ready to go to first grade in August.

The cost for this program is a \$125 registration fee and a weekly tuition of \$100 which includes lunch on Mondays and Fridays, breakfast every day if they are here before 8:30 AM, and an afternoon snack after rest time; and the Music Man weekly.

To register your Kindergarten graduate, please fill out the Summer Program Registration form found on the childcare page of www.pelhamroad.org. Turn in the form and the registration fee (\$125) to the CDC office. You will be billed weekly tuition of \$100 per week starting on June 6 as payments are due in advance of the week of childcare.

Questions?? Please contact Susan Kear at susan@pelhamroad.org or by phone at 864-288-7674.
