For those of us experiencing loneliness, sadness, loss and pain, the Christmas season can be difficult-we can feel singled out by the programmed happiness of "the most wonderful time of the year." But we are not alone. Many people experience at least some sadness and loss in this season. Please join us in a simple worship of song, readings and a reflection of God's hope for us and presence with us in feeling what we feel. All are welcome!

STORIES OF HOPE

A Living Hope continues to lead us through our life together @ PRBC this year. As we enter the New Year season, we want to share stories of hope from people in the "trenches," so to speak. We, as pastors, can talk about it all day long but the depth comes from real experiences that you can relate to on a personal level. We are looking for 6-7 people willing to share their own story of finding hope, losing hope, how hope has changed you or changed IN you, or any personal connection to Living Hope you'd like to share in worship during January and February (about 5-6 minutes long). We are happy to help you tell it if you're not sure how to shape it. Please contact john@pelhamroad.org if you are willing to share your story!
